3. Requests for additional meetings must be made to the Chief Executive Officer.
4. Electronic meetings may be substituted for in-person meetings when appropriate.
5. A tentative ASWB calendar that includes all meetings for the upcoming year shall be compiled by staff and made available to membership as soon as possible following the Annual Meeting of the Delegate Assembly.

3.3 TRAVEL ARRANGEMENTS AND EXPENSES

INTRODUCTION:

The Association is committed to providing for travel expenses incurred while conducting Association business. This includes attending Association meetings and representing the Association at other functions. This travel policy shall apply to any attendee funded by ASWB to attend an in-person meeting or event.

POLICY:

1. A meeting notice will be made available prior to making any travel arrangements for ASWB-related events. The notice will include the date, time, location, and travel days covered by ASWB. All travel must be approved through the Association office if the Association is to be billed for the expense or is expected to reimburse the expense.
2. When arranging for ASWB-related events, hotel accommodations shall be made using blocks of rooms for group rates. When travel is for other approved purposes, individual hotel accommodations must be made at the most reasonable rate, either through the Association office or with the approval of the Association office. Additional persons sharing the traveler's room shall be the responsibility of the traveler.
3. Any costs incurred by additional persons accompanying a funded participant shall be the responsibility of the person being funded. These costs include any meals taken in the hotel, with the exception of opening dinners at the Annual Meeting of the Delegate Assembly or the Association Education Meeting, for which the Association shall fully fund all attendees and their guests. Attendees who wish to bring a guest to any other meals sponsored by the Association must notify the Association of this intent at least two weeks before the event. The cost of meals shall be billed to the attendee according to #13 of this policy.
4. Reimbursement shall be made for room and taxes. Incidental expenses such as in-room movies, minibar charges, laundry, or cleaning services shall not be reimbursed. Hotel receipts must accompany any request for reimbursement.
5. Accommodations and meals shall be funded for only those days and hotel nights necessary for the participant to attend ASWB-related business and meetings/sessions.
 - a. Additional days or nights shall be at the participant's expense. In instances where travel cannot be scheduled to permit complete attendance, decisions on additional funded lodging and meals will be made by the Association on a case-by-case basis.
 - b. Funded attendees who indicate on their registration form that they plan to attend preconference sessions will be funded to arrive the day before the meeting begins. Attendees who arrive in time to attend a preconference session but do not attend will be invoiced for any additional cost incurred.
6. Travelers are expected to take the least expensive coach flight available, within reason. To get the most economical rates, all airline tickets should be purchased at the earliest possible time, but in all cases no less than 30 days in advance of previously scheduled meetings. Tickets costing more than \$800 must be approved by the Association prior to purchase. Tickets may be purchased through the travel service selected by the Association and charged to the Association's corporate account. With prior approval

III. Meetings and Travel

from ASWB, travelers may make their own arrangements,* but they cannot be reimbursed until after they attend the scheduled meeting. In these situations, they must send confirmation of their flight arrangements to the ASWB staff member as indicated in the meeting notice. Tickets that will be purchased less than 21 days before the start date of travel are subject to prior approval by the Association. *Participants attending New Board Member Training should refer to Policy 3.6, Member Training.

7. Changing or canceling an existing airline or lodging reservation incurs a considerable cost to the Association. **Before** booking, travelers should carefully consider personal situations that may affect their travel plans to avoid the need for a change or cancellation. In the extenuating circumstance requiring a change or cancellation, the traveler must contact the Association **before** making a change or cancellation. In the case of an unexpected change while traveling, the traveler will be responsible for paying for the change. Change costs will be reimbursed on a case-by-case basis. In the case of a cancellation, every effort will be made to apply the cost of an unused ticket to future ASWB-associated travel.
8. The Association shall reimburse up to the standard cost for one piece of checked luggage per flight, accompanied by receipt.
9. If automobile transportation is used instead of air or rail transportation, reimbursement shall be at the current U.S. federal government rate for mileage, up to the cost of the lowest round-trip airfare.
10. Travelers are expected to take the least expensive means of ground transportation to and from the airport. Receipts must accompany any request for reimbursement. Mileage will be reimbursed at the U.S. federal government rate when using a personal vehicle.
11. Automobile rental is reimbursable only if such expense is approximately equal to or less than public transportation charges for the entire travel period. This may be the least expensive alternative when the automobile is to be shared by a number of people. To be reimbursable, rentals must be preapproved by the Association office. Whenever possible, rental cars should be returned with a full tank of gas. In cases where an attendee is renting a vehicle for personal use, the cost of the cheapest round-trip ground transportation shall be reimbursed by the Association with proof of the rental purchase.
 - a. When renting vehicles in the course of Association business, ASWB will cover the cost of collision and damage insurance offered by the rental car agency to protect travelers and their own personal auto insurance.
 - b. Members of the Board of Directors and other ASWB credit card holders do not need to take additional insurance, provided they use the corporate credit card issued to them by the Association to pay for the rental.
12. Hotel parking charges shall be reimbursed only for days associated with ASWB business.
13. Three meals per day shall be provided or reimbursed, when accompanied by receipts, not to exceed \$115 per day for the duration of the meeting. The cost of food must be kept comparable to what meal expenses would be if the costs were personal. In cases where some meals are provided by the Association during the meeting, remaining meals will be reimbursed as follows: Breakfast, not to exceed \$25; lunch, not to exceed \$30; and dinner, not to exceed \$60. Receipts are required for reimbursement. For those attendees who

14. Reasonable tips for luggage service, transportation providers, food servers, etc., are reimbursable when itemized.
15. The Association shall not reimburse or directly pay participants for any special activities that may take place during a meeting, such as sightseeing tours.
16. If the hotel charges for Internet access, the cost shall be reimbursed only for days associated with ASWB business.
17. Requests for reimbursement of telephone calls made on Association business must be accompanied by an itemized listing of the purpose of the call, the time of the call, the persons involved, and the contact points.
18. Requests for reimbursement must be accompanied by the current ASWB Request for Reimbursement of Travel Expenses form. Receipts for hotel, ground transportation, rental car, parking, and meal expenses must accompany the form for the expenses to be reimbursed.
19. Requests for reimbursement should be made as soon as possible, but in all cases within 30 days of the time when the expenses were incurred. Reimbursement shall not be made for requests received after the close of the fiscal year for expenses incurred during that fiscal year.
20. Reimbursement shall be made by the Association as soon as possible, but in all cases within 30 days of receipt of the request.
21. Corporate credit cards shall be obtained for members of the Board of Directors, the Chief Executive Officer, and staff as designated by the Chief Executive Officer. Credit cards shall be used exclusively for Association business, and reporting and documentation will be required and explained when credit cards are issued.
22. Individuals who voluntarily participate in and/or travel to ASWB events understand:
 - a. There are potential risks inherent in participation in ASWB events and these potential risks include but are not limited to travel to and from the event; local travel within the event city or region; consumption of food; weather conditions; contagious diseases; terrorism; negligent first-aid operations or procedures; and other risks that are unknown in advance.

 - c. Volunteers are responsible for disclosing to ASWB any physical, mental, and/or emotional conditions or problems, permanent or temporary, that might impair the volunteer's ability to participate, including special dietary and medication needs or the need for visual or auditory aids.
