6. The President in consultation with staff shall develop the agenda for the Annual Meeting of the Delegate Assembly.
7. Speakers may be invited to attend Association meetings to provide program content. Subject to approval of the Chief Executive Officer in consultation with the President, reasonable costs of transportation, lodging, and food may be paid by the Association when invited speakers are not financially reimbursed by a regulatory board or other professional entity. Such funding shall comply with travel arrangement and expense policies.

3.2 ASWB CALENDAR

INTRODUCTION:

ASWB intends to maintain fiscal responsibility, to ensure accountability, and to support the implementation of the strategic plan. Committees and task forces are integral management vehicles to achieve these goals. To maintain orderly scheduling, policies governing the ASWB calendar shall be as follows:

POLICY:

1. The ASWB calendar shall include the following funded face-to-face meetings annually: Annual Meeting, Education Meeting, Board of Directors Meetings, New Board Member Training, and committee and task force meetings. ASWB may also offer training for administrators and member board chairs as needed.
2. The President, in consultation with the Chief Executive Officer, shall set the calendar to effectively manage the workload and charges of committees and task forces. Due to the interaction of staff and volunteers resulting from the Association's committee structure, appropriate committee members and staff may be consulted prior to scheduling meetings.
3. Requests for additional meetings must be made to the Chief Executive Officer.
4. Electronic meetings may be substituted for face-to-face meetings when appropriate.
5. A tentative ASWB calendar for the upcoming year shall be compiled by staff and made available to membership as soon as possible following the Annual Meeting of the Delegate Assembly.

Confirmed by the Executive Committee April 1995. Revised by the Board of Directors, September 1998, August 2012, April 2016, January 2018.

3.3 TRAVEL ARRANGEMENTS AND EXPENSES

INTRODUCTION:

The Association is committed to providing for travel expenses incurred while conducting Association business. This includes attending Association meetings and representing the Association at other functions.

This travel policy shall apply to any attendee funded by ASWB to attend a meeting or event.

POLICY:

1. A meeting notice will be made available prior to making any travel arrangements for ASWB-related events. The notice will include the date, time, location, and travel days covered by ASWB. All travel must be approved through the Association office if the Association is to be billed for the expense or is expected to reimburse the expense.
2. When arranging for ASWB-related events, hotel accommodations shall be made using blocks of rooms for group rates. When travel is for other approved purposes, individual hotel accommodations must be made at the most reasonable rate, either through the Association office or with the approval of the Association office. Additional persons sharing the traveler's room shall be the responsibility of the traveler.
3. Any costs incurred by additional persons accompanying a funded participant shall be the responsibility of the person being funded. These costs include any meals taken in the hotel, with the exception of opening dinners at the Annual Meeting of the Delegate Assembly or the Association Education Meeting, for which the Association shall fully fund all attendees and their guests. Attendees who wish to bring a guest to any other meal sponsored by the Association must notify the Association of this intent at least two weeks before the event. The cost of this meal shall be billed to the attendee according to #15 of this policy.
4. Reimbursement shall be made for room and taxes. Incidental expenses such as in-room movies, minibar charges, laundry, or cleaning services shall not be reimbursed. Hotel receipts must accompany any request for reimbursement.
5. Accommodations and meals shall be funded for only those days and hotel nights necessary for the participant to attend ASWB-related business and meetings/sessions. Additional days or nights shall be at the participant's expense. In instances where travel cannot be scheduled to permit complete attendance, decisions on additional funded lodging and meals will be made by the Association on a case-by-case basis.
6. Travelers are expected to take the least expensive coach flight available, within reason. To get the most economical rates, all airline tickets should be purchased at the earliest possible time, but in all cases no less than 30 days in advance of previously scheduled meetings. Tickets costing more than \$600 must be approved by the Association prior to purchase. Tickets may be purchased through the travel service selected by the Association, and charged to the Association's corporate account. With prior approval from ASWB, travelers may make their own arrangements,* but they cannot be reimbursed until after they attend the scheduled meeting. In these situations, they

III. Meetings and Travel

must send confirmation of their flight arrangements to the ASWB staff member as indicated in the meeting notice. Tickets that will be purchased less than 21 days before the start date of travel are subject to prior approval by the Association. *Participants attending New Board Member Training should refer to Policy 3.7.

7. A person who wishes to cancel or change travel for which the Association purchased an airline ticket must contact the Association office before a change or cancellation is made. In the case of an unexpected change, the traveler will be responsible for paying for changes and may request reimbursement. Change fees will be reimbursed on a case-by-case basis. Every effort will be made to apply the cost of unused tickets to future ASWB-associated travel.
8. The Association shall reimburse up to the standard cost for one piece of checked luggage per flight, accompanied by receipt.
9. Travelers are expected to reserve electronic tickets when available. If a traveler prefers a paper ticket when an electronic ticket is available, the traveler must pay any additional fees administered by the airline or travel agency for the issuance of paper tickets.
10. If automobile transportation is used instead of air or rail transportation, reimbursement shall be at the current federal government rate for mileage, up to the cost of the lowest round-trip airfare.
11. Travelers are expected to take the least expensive means of ground transportation to and from the airport. Receipts must accompany any request for reimbursement.
12. Automobile rental is reimbursable only if such expense is approximately equal to or less than public transportation charges for the entire travel period. This may be the least expensive alternative when the automobile is to be shared by a number of people. To be reimbursable, rentals must be preapproved by the Association office. Whenever possible, rental cars should be returned with a full tank of gas. In cases where an attendee is renting a vehicle for personal use, the cost of the cheapest round-trip ground transportation shall be reimbursed by the Association with proof of the rental purchase. Hotel parking charges for rental cars shall be reimbursed only if the rental car is being entirely financed by the Association.
13. When renting vehicles in the course of Association business, ASWB will cover the cost of collision and damage insurance offered by the rental car agency to protect travelers and their own personal auto insurance. Members of the Board of Directors and other ASWB credit card holders do not need to take additional insurance, provided they use the corporate credit card issued to them by the Association to pay for the rental.
14. Mileage at the federal government reimbursement rate shall be paid to and from home and the airport or other mass transit point of departure. Parking expenses for the days of Association business trips shall be reimbursed. Receipts must accompany any request for reimbursement.
15. Three meals per day shall be provided or reimbursed, when accompanied by receipts, up to \$90 per day for the duration of the meeting. The cost of food must be kept comparable to what meal expenses would be if the costs were personal. In cases where

III. Meetings and Travel

some meals are provided by the Association through the hotel where a meeting is being held, the following guidelines for additional necessary meal expenditures apply: Breakfast, \$20; lunch, \$20; and dinner, \$50. Receipts are required for reimbursement. For those attendees who choose to extend their stay on either side of the meeting, the meal allowance will apply only on the official travel days as designated by the Association office.

16. Reasonable tips for luggage service, transportation providers, food servers, etc., are reimbursable when itemized.
17. The Association shall not reimburse or directly pay participants for any special activities that may take place during a meeting, such as sightseeing tours.
18. If Internet access charges are made by the hotel, they shall be reimbursed.
19. Requests for reimbursement of telephone calls made on Association business must be accompanied by an itemized listing of the purpose of the call, the time of the call, the persons involved, and the contact points.
20. Request for reimbursement must be accompanied by the current ASWB Request for Reimbursement of Travel Expenses form. Receipts for hotel, ground transportation, rental cars, parking, and meals must be provided, or the expenses will not be reimbursed.
21. Requests for reimbursement should be made as soon as possible, but in all cases within 30 days of the time when the expenses were incurred. Reimbursement shall not be made for requests received after the close of the fiscal year for expenses incurred during that fiscal year.
22. Reimbursement shall be made by the Association as soon as possible, but in all cases within 30 days of receipt of the request.
23. Corporate credit cards shall be obtained for members of the Board of Directors, the Chief Executive Officer, and staff as designated by the Chief Executive Officer. Receipts documenting credit card charges must be submitted to the Association office.
24. Such charge cards shall be used exclusively for Association business and should be used as though the expense would have to be justified on a voucher for reimbursement. All individuals issued a charge card, phone card, or other Association resource must sign a statement of compliance regarding the responsible use of the resources.
25. Credit cards shall be returned to the Association office immediately at the end of ASWB volunteer service or in the case of staff, at the request of the Chief Executive Officer or immediately at the end of employment with the Association.

Confirmed by the Executive Committee April 1995; revised October 1995. Revised by the Board of Directors September 1998, April 2002, May 2003, October 2004, April 2005, February 2007, August 2007, August 2010, January 2011, August 2012, January 2014, January 2016, April 2016, January 2017, January 2018.

INTRODUCTION:

Funded attendees shall adhere to ASWB travel and expense policies.

INTRODUCTION:

To provide support to social work regulatory bodies in carrying out their legislated mandates, the Association shall hold an annual Association Education Meeting to enhance the proficiency of Member Board members and administrators. The Association may bear certain costs associated with the attendance of invited speakers and facilitators who are not otherwise financially reimbursed. Funded attendees shall adhere to ASWB travel and expense policies.

POLICY:

1. Subject to the approval of the Chief Executive Officer in consultation with the President, all speakers and presenters who provide program content for the Association Education Meeting and who will not be financially reimbursed by a regulatory board or other professional entity may be funded to attend.
