2015 Charge

- Continue the in-depth review of the bylaws begun in 2014
- Work in collaboration with the Governance Task Force on those sections of the bylaws related to purpose, governance, and finances

Recommendations/Actions

Over the last two years, the Bylaws Committee held 13 meetings in person or virtually via conference call to complete its work. The committee divided into three working groups to develop recommendations for assigned sections of the bylaws, as follows: Working group 1, Articles V-VI, Delegate Assembly and Association Meetings; Working group 2, Articles VII-VIII, Board of Directors and Board of Directors Meetings; and Working Group 3, Article IX, Committees. The Board liaison was a member of Working Group 2 to offer insight to the articles related to governance. For continuity, the committee chair was a member of all three working groups. The committee reconvened as a whole following the working group cycles to review all recommendations. The committee reviewed the remaining bylaws articles at its July 11 meeting, when it also considered the changes recommended by the Governance Task Force.

The proposed changes to the bylaws were presented to the ASWB Board of Directors at the Board’s August 2015 meeting.

- The Board of Directors supports all the recommendations for proposed changes to the bylaws.
Tables detailing the recommended changes to the bylaws with rationales are included with the report as Attachments A and B. A copy of the complete bylaws with the changes marked using strikethrough and red text is included as Attachment C. A summary of proposed changes is included here.

Other Action Items

The Bylaws Committee spent significant time discussing the requests made by membership at the 2014 annual meeting to have information about proposed changes presented in a manner and time frame that would allow delegates to vote knowledgeably. In response to these concerns, the committee proposed to the Board of Directors that communication sessions be held during the 60 days before the 2015 Annual Meeting.

Recommendations/Actions

The committee recommended that two information sessions be conducted by conference call to provide clarification about the report and proposed changes. The sessions will be hosted by the Bylaws Committee chair and Board liaison, and membership will be notified by email with instructions provided for when and how to participate. These sessions are not intended to be forums for debate about the proposed changes; debate is to be reserved for the floor of the delegate assembly when all delegates will be present to hear any discussion.

- The Board of Directors supports the communications plan proposed by the Bylaws Committee.

Future Discussion Topics and/or Suggestions for 2016 Committee Charge

- Further review of Article VII. Board of Directors is needed in light of changes proposed during this review cycle. Specifically, Sections 3. Qualifications for Continued Service and Section 7. Terms require amendment.
- Review the ASWB Policy Manual for inconsistencies with updated bylaws or association practice and draft proposed changes for consideration by the ASWB Board of Directors.
- The committee requests reappointment in 2016 in order to carry this review process through to its completion. After spending two years immersed in the bylaws, the current members are best prepared to undertake these suggested charges for 2016.
