Ethical Therapy in Health Care Settings

A Live, Interactive Webinar

June 1, 2019

9:00 a.m. – 4:00 p.m.

This 5.5 credit ethics course was developed for social work professionals. The course will familiarize professionals with strategies and techniques to reach outcomes quickly, effectively and demonstrably, providing a rationale and theory supporting ethical therapy, a repertoire of specific intervention and strategies, and case applications to illustrate the use of the interventions.

Target audience: social workers

Content level: beginning to intermediate

About the instructor

Sandra Doe, LCSW, PhD. Dr. Doe is on the faculty of the schools of social work at both Tulane University and Harvard University. She has over 40 years' experience working in medical and mental health settings as a clinician, administrator, teacher, author, and consultant. She holds graduate degrees in both social work and health systems management. She is truly a dynamic and inspiring speaker.

Ethical Therapy in Health Care Settings, course #1234, is approved by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program to be offered by Social Work World as an individual course. Individual courses, not providers, are approved at the course level. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. ACE course approval period: 04/04/2019 – 04/04/2021. Social workers completing this course receive 5.5 ethics continuing education credits. (Other accreditations if applicable)
