presents

Ethical Therapy in Health Care Settings

This 5.5 credit, reading-based course was developed in 2016 for social work professionals. The course will familiarize professionals with strategies and techniques to reach outcomes quickly, effectively, and demonstrably, providing a rationale and theory supporting ethical therapy, a repertoire of specific intervention and strategies, and case applications to illustrate the use of the interventions.

Target audience: social workers

Content Level: beginning to intermediate

About the author

Sandra Doe, LCSW, PhD. Dr. Doe is on the faculty of the schools of social work at both Tulane University and Harvard University. She has over 40 years' experience working in medical and mental health settings as a clinician, administrator, teacher, author and consultant. She holds graduate degrees in both social work and health systems management. She is truly a dynamic and inspiring writer.

- **Media viewing requirements:** Adobe Reader, Flash Player, & HTML5

To purchase CE

There is no cost to download the reading material. The cost for a continuing education certificate is \$20.

[CLICK HERE TO PURCHASE](#). No refunds.

Course completion & CE info

Course completion requirements: To earn CE credit, social workers must read the material, pay the \$20 continuing education certificate fee and complete the posttest (with a passing score of 80%) and course evaluation. Posttests may be retaken. Certificates of completion will be emailed within 10 business days of course completion.

Ethical Therapy in Health Care Settings, course #1234, is approved by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program to be offered by Social Work World as an individual course. Individual courses, not providers, are approved at the course level. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. ACE course approval period: 04/04/2019 – 04/04/2021. Social workers completing this course receive 5.5 Ethics continuing education credits.
