Your picture will be taken and your palms will be scanned for identification purposes. You will be required to read and sign the Candidate Rules Agreement. You may preview all of this information at www.aswb.org/exam-candidates/registered-candidates/. You must present two forms of ID that match your FIRST and LAST name as it appears on the Authorization to Test from ASWB. If you do not bring proper IDs to the test center on test day and do not arrive on time, you will not be allowed to test and you will forfeit the examination fee.

Taking the exam

You will have a total of 4 hours (240 minutes) to complete your exam. Appointment times include an additional 30 minutes to allow for check-in at the test center, the tutorial (which you may spend up to 20 minutes reviewing), and completion of a survey at the end of your exam. The clock on the bottom right corner of the computer screen is the official timekeeper of the examination. After you finish the tutorial, and begin the exam you will need to click on the clock icon to display the clock. The clock displays the time remaining on the exam. Breaks may be taken at your discretion, but testing time does not stop for breaks. You may not leave the monitored area of the test center except for short bathroom breaks.

Although rare, technical problems, power outages, noise, and environmental problems do occur. You must allow test center staff at least 30 minutes to correct the problem. If the problem continues for more than 30 minutes, you have the choice to stay until the problem is corrected or to have your appointment rescheduled. Problems must be reported to Pearson VUE staff at the time of occurrence and reported to ASWB at 888.579.3926 within two business days of the occurrence. If you do not report the problem to Pearson VUE staff at the time of occurrence, ASWB will not be able to verify the problem.

Changes to registration

Changes made to the ASWB examination registration will result in a US\$30 processing fee.

Refunds

Examination fees will not be refunded. You may reschedule your examination date without additional charge within the applicable guidelines. (See Cancelling/Changing an appointment above.) Cancellations will not result in a refund.

No-shows/Late arrivals

If you do not show up for your examination at the scheduled time and have not cancelled or rescheduled within the guidelines (see Cancelling/Changing an appointment above), you will forfeit your examination fee and authorization to test. You will not be permitted to schedule another examination date until you have reregistered with ASWB and paid for another examination. You will not be seated if you arrive late for your examination. Late arrivals will be treated as no-shows.

Excused absences

It is possible to have your absence or late arrival excused by ASWB if extenuating circumstances make it impossible for you to keep your examination appointment. ASWB may excuse absences due to illness (either you or an immediate family member), death in the immediate family, or disabling traffic accident.

All requests for excused absences must be in writing, accompanied by supporting documentation, and submitted to ASWB within 30 days of the missed appointment. When applicable, excuses must be on official letterhead. Stamped signatures will not be accepted. Copies and faxes will not be accepted. If you think your absence might qualify as an excused absence, you should call ASWB at 888.579.3926 immediately after the missed appointment for further details.

If you are excused by ASWB, you may reregister for a reduced fee of US\$150 and receive a new authorization to test. You may reregister at the fee of US\$150 up to one year after the approval of the excused absence. If your absence is not excused by ASWB, you will be required to reregister and pay the full examination fee before you will be allowed to take the examination.
